

## Hot & Warm Waxing Diploma - 2 Day Course

This comprehensive two-day course is designed to give you a thorough understanding of both hot and warm waxing methods, equipping you with the skills to provide professional and safe waxing treatments for your clients.

You'll cover all the key fundamentals, including health and safety, client consultation, contraindications, the functions of the skin, the hair growth cycle, and various hair removal methods. Gain confidence in the correct placement and removal of wax on the body to achieve smooth and lasting results.

**Day One** - focuses on warm waxing, where you'll learn the basics of body waxing, including effective techniques for larger areas and refining your skills in precision waxing.

**Day Two** - is dedicated to hot waxing, where you'll explore how this method differs from warm waxing, when it is best suited for a client, and the specific techniques required for more sensitive areas.

By the end of this two-day course, you'll have the knowledge and practical experience to safely and confidently provide both warm and hot waxing treatments, offering tailored services to meet your clients' needs
